Julian Gimpel

General Manager - Mental Health Initiatives, Australian Medical Association (WA)

Julian is a recognised leader in workplace mental health and has over 20 years' experience as a clinician, trainer and organisational consultant.

Julian will be speaking on mental health & workplace bullying, something he has lots of experience in following his focus and success with the Mental Health Workplace Accreditation Program.

Megan McCracken

General Manager – Safety, People & Corporate Affairs, Arc Infrastructure

Megan will be speaking about “Future Proofing Your Career” which talks about leadership and building a successful career.

Megan's brings 25 years of experience from leading the safety and environment, corporate affairs, training and human resources divisions within the resources, automotive, energy and rail industries.

Maree Gooch

CEO, FarmSafe WA

Will be talking about the importance of having a Safety Culture in the workplace and how the 'Sisterhood' can take the lead – and how women in regional WA are really taking it on board and implementing great things.

Maree's experience and knowledge comes from holding numerous key managerial portfolios and various expert consultancy roles across a range of projects including business, tourism, finance, agriculture, government and exporting.
