You are invited to join us for the Women in Safety WA Sparkling High Tea in support of International Women's Day, with this year's theme being 'Each for Equal'.

We bring you a special WISWA-X format with numerous speakers who will inspire, motivate, educate and empower you to be a powerful force in the safety industry.

A panel session hosted by IFAP President Cav. Maria Saraceni will follow the presentations to allow you the opportunity to interact with these speakers and gain further insight into what makes them courageous, motivating and successful within their chosen career.

As you dine on a delicious high tea, you will have the opportunity to network with fellow industry professionals at this special #IWD2020 event!
